

Bug 01 - <https://app.shortcut.com/test-92/story/21/mobile-confirm-button-isn-t-visible-on-date-selection-screen>

[MOBILE] Confirm button isn't visible on date selection screen

Context:
When booking a test drive and selecting a date on mobile, the `Confirm` button is not visible.

Steps to reproduce:

- 1 - Go to <https://www.mercedes-benz.co.uk/passengercars/test-drive.html?group=all&subgroup=see-all&view=BODYTYPE>
- 2 - Select any car
- 3 - Enter a valid UK postcode (N15Q)
- 4 - Click `Proceed`
- 5 - Click Retailers in your location
- 6 - Click Select Showroom on any retailer
- 7 - Pick a date and a time slot
- 8 - `Confirm` button is hidden by the url bar of the browser

Properties

Device: iPhone 12 Mini
Browser: Mobile_safari
Operating System: iOS 16.0
Resolution: 1080x2340 px
Screen size: 5.4 in - 2.46 x 4.92 in
Viewport: 375 x 629 px
Aspect Ratio: 19.5 : 9

Expected Result
The confirm button should always be visible and it should adjust to the visible area of the page.

Bug 02 - <https://app.shortcut.com/test-92/story/23/mobile-no-filter-for-vehicle-type>

[MOBILE] No filter for vehicle type

Context:
When searching for cars for the Australian market I can no longer filter for `Vehicle type`

Steps to reproduce

- 1 - Go to <https://shop.mercedes-benz.com/en/au/shop/vehicle/orp/demo>
- 2 - Open the filters drawer
- 3 - Observe that there is no filter for `Vehicle type`

Properties

Device: iPad Pro 12.9 2022
Browser: Tablet_chrome
Operating System: iOS 16.0
Resolution: 2048 x 2732 px
Screen size: 12.9 in - 10.32 x 7.74 in
Viewport: 1024 x 1292 px
Aspect Ratio: 4:3

Expected result
A user should be able to filter by Vehicle type, therefore the filter should be added back.
